The state of ECOSYSTEM SERVICES science & practice in Ontario

Call for Contributors

On Tuesday, November 15th the newly formed **Ontario Network on Ecosystem Services (ONES)** is hosting a **full-day forum** on ecosystem services in Ontario. This event will bring together researchers and practitioners working on ecosystem services to discuss where we are and where we're going.

The Forum

Possible topics include:

- Valuation of ecosystem services
- Incentive mechanisms for protection and restoration
- Influencing policy development
- Implementing payment for ecosystem services (PES) programs

And more...

The forum will consist of:

- Short presentations
- Panel discussions
- Facilitated discussions
- Poster displays

We are currently inviting anyone who is interested in contributing as a presenter, panel member, discussion facilitator, and/or poster presenter.

Interested?

Submit a brief abstract (**1 page or less**) describing yourself, your area of interest and how you would like to contribute.

Deadline is Monday, August 15th, 2011

For submissions or general questions, contact:
